# Can apple tv control soundbar volume

How to control soundbar volume with apple tv remote. Can apple tv control volume. How to control tv volume with apple tv. Can apple tv remote control volume on soundbar.

CCO/mohamed\_hassan/Pixabay Entertainment is constantly evolving due to technological changes. Today, watching a movie doesn't always mean going to the local cinema. The video stores are long gone, but you still have the opportunity to rent movies and watch them at home. This is a convenient process with Apple TV. Apple iTunes has a wide range of TV shows and movies available for rent as well as for purchase. In fact, some movies are released in theaters and iTunes at the same time to increase the reach. Here's how to rent movies using Apple TV Check compatibility The first step is to check if your device is compatible with the latest movie app. First- and second-generation models do not have access to the Movie App. The third generation of Apple TV was no longer eligible for upgrades in December 2016. Unfortunately, if you own one of these models, you won't be able to rent it through Apple TV. To check the model, go to "Settings > About". If Apple TV can access the iTunes Store and it's compatible, open Apple TV and go to the Movies app. When you click this app, you get a list of movies available on iTunes. Movies are available in many languages around the world. If you're looking for a specific movie, search the title in the iTunes Store to see if it's available. Select the movieBrowse iTunes Store or search for a specific title. For example, the search for "Thor" shows all movies available with Thor in the title or with Thor as a character. Once you've selected a title, look for the "Rent and Watch Now" option. Click on it to start streaming to Apple TV. You can also choose "Rent and Watch After" to save the movie for easy access for the next 30 days. Regardless of which option you choose, you can't download rentals on Apple TV. You can only broadcast them live. TroubleshootingIf you experience problems, check the Wifi signal. Open the settings and navigate on «Network» to see force forceyour signal. Move the Apple TV box around if necessary to get a better signal. Otherwise, try restarting your Apple TV to download the cache for a new start. Switch to other Apple devices The movies you rent are associated with your Apple ID, which allows you to watch them on other Apple devices. However, you cannot look at two devices at the same time. The iTunes Store has tons of titles available, and the process to watch is easy and fast. Other information on QUESTIONS Old televisions often contain hazardous waste that cannot be placed in dumpster trash. Because of this, most states have laws that forbid old TVs from being set up for garbage pickup. If you need to throw away an old TV it is better to find a recycling program close to you. Free disposal of an old TVMany communities have annual recycling events where old televisions can be collected and properly disposed of free of charge. If you wish to dispose of the TV immediately, you should call your local waste disposal company. Many waste disposal companies will allow customers to pay for their old TV for free recycling. Make sure you bring your driver's license or a copy of your last utility bill to show your proof of residence to the recycling site. Pennsylvania Resources Council (PRC) hosts a number of Hard to Recycle Collection Events around the world Allegheny County every year. The PRC ensures that the old TV is recycled responsibly and safely by working with certified eStewards recyclers. PRC accepts TV for about \$30 per unit. A large TV will cost more to recycle. The rear projector and TV console are about \$40 per unit. Disassembled TV will not be accepted. The steps to follow Before Dumping an old man To bring TV to a recycling drive It is important to note the following: If possible, the old TV should be restored to the factory settings to protect your privacy. Use a tie or cable itself to insert the cable into a node. Use a dolly to transport the old TV. Best buy TV disposalBEST buy offers OFFERS Recycling for old televisions in the range of \$ 25 per console. For residents in Pennsylvania and Illinois, the best purchase recommends the management of the E-Cycling MRM. MRM accepts certain brands of TVs for recycling. Best buying via an old TV if a new TV has been purchased for about \$ 20. The old TV will be properly recycled by an authorized third-party recycler. Stand-alone withdrawal without a qualifying purchase is around \$ 100.TV Disposal near Mea Quick and simple option for TV disposal is 1-800-GOT-Junk. A team will come to your home, you will evaluate the TV and quotes a price. If you accept the à €
