Reviews and reviews Traveler rating: 4.0 / 5 based on 200K + reviews (*) 1 À € ~ ... I think this football app is not compatible with Samsung mobile phones. I can't even watch an adequate football match. Play only a fraction of a second then buffering tons, glitch or even blackouts. Absolute waste. Don't worry even 1 à € 1 À € ~ ... I updated the app now, with my surprise after just working well, now it continues to show that the Adblocker must be disabled. I imagine it's time to delete this useless app. The worst app, the previous version worked well sin I finished the update. À¿À» À¿ ~ À ° 5 À € ~ ... Excellent view except for a couple of minutes behind weather. I love it. Very good app instead of the cable network. I liked to watch live games and highlights tonight. Very useful app. Good to watch without interruptions today. Very good to watch tonight. Quite well with small breaks. 5 À € ~ ... well, this app is fantastic, it's definitely one of the only apps around the world that surely you don't have to buy to watch football, but the ads kill the app but in a good way because You don't make it become distracted while watching a game, so it's perfect. 1 À , ~ ... It was a great app since I downloaded it, but now it has 2 permanent ads one at the top and one at the bottom of the screen that ruins the entire surveillance experience. Make the job removal of the ad please. For now only 1 star from the announcement that jokes the app ????? 4 À , ~ ... Bright app to watch football, do what he says it does. Perfect companion for sport. It seems to be a little more when watching using English comment, different from that seeing it for you. 1 À € ~ ... it erroneously detects a blocking ad on my device that I do not have (while you see an ad behind the warning) I had this app for weeks and worked well. Then suddenly today they fed me when I have not installed another app. 5 À ~ ... excellent app, was so worried and confused host where to look at the game between Chelsea vs Man City does semifinal because I was working in a remote area until I came across this app and I really downloaded my game, kudos to this app, very very reliable 2 À € ~ ... I liked to look at my moving games but recently plays on the English language start at ich (stop start, stop start) . It accidentally erased it and can no longer work when drain it. I would have given a 5 star but we will prefer to give 2 5 À € ~ ... this app is excellent. The image is clear as a bell sound is excellent. Do not praise it enough, they used other apps but they are not used where nearby. All football fans should make this app last one for football. 3 À € ~ ... I didn't have enough experience with the app but honestly the little one I lived with it gives me hope, it's a cold app that gives fans of football a comfort area in case of football There is no TV screen to watch football. I don't mind giving him 5 stars so soon if you don't meet any network error, delays or other negative. For now, I recommend the soccer lovers to download it 5 À € ~ ... I enjoyed this fantastic app since I downloaded it. Streaming is very good without any attack. I recommend it for anyone who wants the free app for football. I can't even confront him with one I used before. Great work and congratulations for developers. 5 À € ~ ... a great initiative, allows football fans watch the game wherever they are. As an improvement, make sure there is an English comment on all the games shown. 2 À € ~ ... used to be good and it's probably still, but recently when I turn on my VPN, the app will not work telling that I have to disable my Adblocker to use it. And due to the bad network I used to make it more stable, I don't know why you won't do it anymore with my VPN 5 À € ~ ... creative, I use a creative approach to solve problems. Reliable.
