Then, at Princess Twilight Sparkle - Part 2, Zecora uses a potion to show brilliance of the crepness as Celestia and Luna found the elements of harmony and used them to originally print the discouragement in stone. "I'll need more popcorn!" Later, discourgio is still having fun using gummy like a fingernail sandpaper and even clocks of the cherry berry and comet tail stay squeezed by vines, until twilight sparkle arrives to rebuke him, and demand that he helps that he does by getting rid of said vine. He asks about the Harmony tree, and Sparkle crepness tells about the decision of his friend that she gets behind. Discord is surprised that the sparkle crepper agreed with such a plan, accusing her to keep off the danger as her friends ran in danger. Draconequus's words come to the sparkle crepability, and she runs back to help her friends in the forest. Later, after giving up the elements of harmony and saving the tree of harmony, the discouragement seems to congratulate the punishment as they emerge from the forest. This is despite the fact that when the power of the tree destroyed the vines, the discouragement reacted with disappointment in this result. When he asks about the elements, the punishment informs that they left. Discouragement is quick to ponder the possibilities of this, but Fluttershy warned him quickly to control himself if he wants to stay friends. As fluttershy says that, the discourgness decreases in size. Applejack Wonders Why all this happened to start, and disagree to mention high that the seeds he planted should have sprouted a long time. The Sparkle crepness asks him what he means, and using Zecora's Poço, Sparkle Crepability notes that before his original prison, Discourgio had secretly planted his "agents" to steal the tree from the magic of harmony and capture the princesses, but now it was until now that the tree had magic To keep seeds growing. With Fluttershy though on a journey to watch the breeze, she finally falls for creping glow and princess Cadance to take care of him while he is supposedly sick. Eventually, the blue flu turns out to be a mistake, although discussion somehow managed to spread it both for rarity as an earlier applejack. Discouragement states that he was worried Sparkle cropble was not really his friend and invented an elaborate test to determine if she actually acted as a friend for him. He is very happy to see that she chose to help him, even if he interacts in time with Princess Cadance. Ironically, the discouragement becomes infected with a real disease when a Tatzlwurm sneezes on it. He is placed in a quarantine bubble at the Fluttershy House, where his friend Pegasus can care about him. During his visit, discourdment reveals that he and fluttershy had maintained a correspondence. In the Trade Ya!, The stellar eclipse of the supplier has several lamps designed after the discourgia that he "can $\hat{a} \in \hat{a} \in \hat{c}$ we I feel when there is a magic imbalance. The next time that Tirak steals magic, the discouragement will be able to track it!" He appears in front of Juba Six and rejoicing on his new mission, even playing, suggesting that he can be made a princess of Alcorn. Discord brings the tree of the mysterious harmony breast and mentions that what is inside could help crop a prove that it is worth as a princess. He gives her chirping her daily, marking several entries for her. Twilight later discovers the common theme of these entries with a connection with mysterious chest in the harmony tree. Later, discovers the common theme of these entries for her. helps Tirek by consuming the magic of all three punishment races. Discouragement finally accepts between the punishment.
