Collaborate with the rapper Gunplay based in Florida, originally lamen to include the Music in his large estrangement, Kid, Maad City, but was leaked in ante. [3] Reception criticism Jack Law, writing to the magazine in fact, described experimenting that Lamar demonstrated in her section of album.80, released a previous year; "The verse of Kendrick is predictively complicated to penetrate, Full of multi-layered and play-word images, and no doubt, more study "[4] The law still emphasized the unexpected collaboration between Lamar and Gunplay - a collaboration with a avant-garde music and a rapper "Street" [4] At Pitchfork, Jordan Sargent referred to "cartoons and cereals" as the work of two artists who "have an anti-social stroke that crosses their music". [two] "Cartoon & Cereal" is one of the most popular musicals of Lamar; Complex magazine, which listed it as the second best song of 2012, wrote "the best music ['caricature and cereal'] that Kendrick Lamar launched this year did not even make the Album [Good Kid, Maad City] ". [5] The christ of music Niyah Nel reflects: "The 'inner voice' as an approach to 'Cartoons & Cereal' made only the right impact of lead fan of lead to wondering what to expect from his first owl, and He definitely boosted his classification as an incomparable lyricist.
